

Corrigendum

Corrigendum to “Bipolar plate cell design for a lithium air battery”
[J. Power Sources 199 (2012) 247–255]Jim Adams*, Mohan Karulkar¹

Ford Motor Company, Energy Storage Research, 2101 Village Road, MD 3179, Dearborn, MI 48124, USA

The authors regret that there was an error in equations (21) and (24) in the original paper published in Journal of Power Sources. The errors were in the equations in the printed article, but not in the actual equations used to generate the data in the figures. The correct equations should be

$$M_{\text{sep}} = V_{\text{sep}} \times \rho_{\text{sep}} \quad (21)$$

$$M_{\text{plate}} = V_{\text{unst plate}} \times \rho_{\text{plate}} \quad (24)$$

The authors would like to apologise for any inconvenience caused.
